R K ENGINEERING & CONSULTING SERVICES

SUR INNOVATIONS PRIVATE LIMITED

As an Energetic & Dynamic group of companies, we have already gained an excellent reputation in shipping industry as a dedicated, reliable & client-conscious organization.

In today's challenging global economy we have developed right systems to give the shipping business a competitive edge. Our fully computerized Inventory & order tracking system enables us to streamline client's requirements rapidly & efficiently. We are aware of today's quality requirements & the economic constraints within which the shipping industry operates. Our supplies are excellent combination of highest quality at most competitive price.

Our group is headed by Mr Sunil Khunte, an Ex Chief Engineer and Superintendent. His extensive experience of sailing as Chief Engineer and in executing repairs & purchase activities ashore help us to understand the typical needs of both the ship owners & ship managers.

We are members of SHIPSERV & ISO certification is around the corner.
